*We thank our BELIEVERS*

ST. FRANCIS COLLEGE 2019-2020

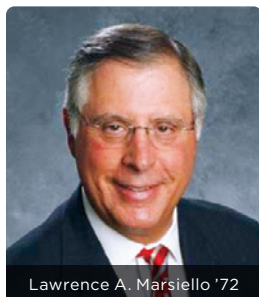

# Annual Dream-Maker Report

## A Message from Lawrence A. Marsiello '72, Advancement Committee Chairman and Thomas F. Flood, Vice President for Advancement

### Resolve, Resiliency, and Recognition

There is so much to share in this Dream-Maker Report, we begin with the message your students and their families asked us to share—a resounding, heartfelt **THANK YOU!** They (and we) know how much you sacrifice for them—they also know, they would not be where they are today without friends and fans like you. As dream-makers and angel-investors in the leaders of tomorrow, we hold true to our mission, embrace our diversity, give witness to the spirit of compassion, caring and generosity that warms our hearts and inspires us in so many meaningful ways. It is the very spirit and call to action that the Franciscan Brothers of Brooklyn entrusted us to steward and grow. Coincidentally, it is a spirit that needs to be more present in the world today more than ever before. Your gift to St. Francis and the world is just that—instruments of peace, pillars of compassion and people who will lead with love through words and actions, people just like you. We are blessed to know you, have you as believers, and to have you as partners in mission.

The only way you negotiate challenges and respond to crises like COVID-19 is to have resolve and resiliency, and we recognize that it starts and ends with your extraordinary participation and gestures of support. St. Francis of Assisi

shared—All the darkness in the world cannot extinguish a single candle. Fortunately, we have a community of candles shining bright upon SFC, where this light provides great strength, determination and hope.

Please take the time to reflect and revel on the strength, determination, hope and impact you are having on the lives of our students, their families and their futures. Together, we

embrace our moral responsibility to close the gap between those that have and those that don't, and empower young people with courage, confidence, access and opportunity. We thank you for being true believers of this institution, those we serve, and each other. Let's continue to meet any challenge that comes our way, and most importantly, help our students meet the everyday challenges they face, which are even greater during a time of pandemic.

We thank you and realize that without your resolve and resiliency, we could not be who we are today nor who we could be and will be in the days and years to come. We recognize that you give with a profound endorsement and expectation—it is not about SFC surviving but it is about SFC thriving. We will—thanks to you, our believers.

## St. Clare Society

St. Clare, undoubtedly St. Francis's most devout follower, practiced radical self-giving and embraced joyous poverty in imitation of Christ. Clare was born in 1193 to Assisi nobility. Encouraged by St. Francis' words to live a life of prayer and service, she fled from her comfortable home to join Francis and the friars. Clare created a community of Franciscan women who lived humble lives dedicated to prayer, penitence, manual labor, and charity.

It is because of St. Clare's generosity, sacrifice and inspirational example that St. Francis College established the St. Clare Society to honor all those who provide charitably through self-giving for the future of the College through bequests or planned gifts including charitable trusts, retirement plan benefits, or life insurance.

The entire SFC community expresses its gratitude to the following St. Clare Society members who have demonstrated their devotion to the SFC mission and commitment to growing its impact and legacy:

### Why Should I Join the St. Clare Society?

All St. Clare Society members share a steadfast devotion to St. Francis College's critically important mission—to provide all students with an affordable, high-quality education based on Franciscan values. Benefits of St. Clare Society membership include:

- Special remembrance at the College's weekly celebrations of the Eucharist and at our Annual Alumni Mass and our Annual St. Clare Mass;
- Listing in the *Annual Dream-Maker Report*;
- Invitations to all local St. Francis College special events and to any special College events planned for your region; and
- The satisfaction of knowing that, as St. Francis proclaimed in his most famous prayer, "It is in giving that we receive"

If you have made a planned gift to SFC, please call (718-489-5361) or email us ([plannedgiving@sfc.edu](mailto:plannedgiving@sfc.edu)) today. We are thankful for your thoughtful generosity and ultimate stewardship expression for our beloved St. Francis College.

## Lifetime Giving

### SAN DAMIANO SOCIETY

It is said that a young St. Francis would often come to San Damiano to pray before a 12th-century painted crucifix and it is here where he saw the Christ on the crucifix come to life and speak to him saying, "Rebuild my church." The generous response to our shared vision unites us with others who have said "yes" to a lifetime commitment to St. Francis's call to create meaningful engagements and have the willingness to faithfully share those blessings in a profoundly generous and loving manner. (Lifetime giving total of \$1,000,000+)

### LA VERNA SOCIETY

The Mount of La Verna was a favorite site for St. Francis and his followers for spending long periods of meditation and prayer and it is here where it is said that St. Francis had a vision and received the stigmata that he carried until his death. Through generosity and leadership, La Verna members bring focus to our the Franciscan Brothers of Brooklyn's vision and built a foundation for future generations of Terriers. Their ongoing support provides the inspiration necessary to help the College realize its Big Dreams. (Lifetime giving total of \$100,000 to <\$1,000,000)
